

The Vision

"Your love has given me great joy and encouragement, because you, brother, have refreshed the hearts of the saints."

Philemon 1:7

With the words Paul wrote to Philemon as a beacon we endeavor to minister to the needs of God's people by providing a natural setting that will facilitate the healing of mind, body, and soul by God's loving hand.

It is our desire that Faith Mountain be a place of prayer and reflection as those called of God are refreshed by His spirit through the enjoyment of His creation.

The Accommodations

Each guest cottage is air-conditioned, has a large living/dining area with a gas fireplace, a fully equipped kitchen, whirlpool bathtub, and queen sized beds. A campfire ring and a picnic table compliment the front yard.

A peaceful place for prayer and reflection.

The Experience

FAITH MOUNTAIN is located on 235 Beautiful Wooded Acres. A leisurely walk in the woods or a stroll along our spring-filled lake will bring you to several mountain trails from which you can enjoy beautiful views. Depending on the season you may see native wild flowers, brilliant fall colors, or a white tail deer with a newborn fawn.

Whatever the season, the sunrise and sunset views, the early morning fog in the valleys and the star studded night skies will make lifelong memories of your visit to Faith Mountain.

The Equestrian Youth Retreats hosted by Faith Mountain give an opportunity for youth to come and have a unique experience not only working with animals but a place to open and explore their own faith and grow within it.

Church groups come for a variety of reasons: Staff retreats, men's, women's, and Youth retreats, Leadership planning weekends... whatever the group and whatever the goal, Faith Mountain is the perfect place to meet and retreat.
